Hi Adele: please go ahead and prepare a PR for this online new service. Carolyn will be in touch with you on the four newspapers.

We will need to hold off on your authorizing publication for now,

Greetings Lindsey: thank you for working with us to post the following ad to your website on 8/28/19:

https://www.indianz.com/jobs/2019/08/us_environmental_protection_ag.asp

We have since decided that we would like to run the attached ad *in lieu of what is currently posted to your website*. We would like this ad to run at least until December 9, 2019. Essentially, this new ad would be replacing the one that is currently posted.

Could you provide us with a cost estimate for publication please? Once we hear back, I will have Adele get in touch with you in the near future to authorize publication and arrange for payment.

Sincerely,

Douglas Minter

I have not received payment from Adele. The ad will run for one month for \$100. All ads are priced per ad per month.

Please let me know if there is anything else I can do for you!

Thank you,

Thank you Lindsey: Adele Lucero had recently been in touch with you/your office about payment. If she did not provide you with the information you noted below, she can do that when she returns to the office here.

Could you confirm how long this ad will run for the \$100 cost?
